

### **“Il Terraio” Toscana igt, white vintage 2013**

The vineyard is situated on the hills (300 m) in the valley of river Arno.

This wine is obtained from Trebbiano and Malvasia grapes (plus a small part of other local grapes). The harvest is in the middle of September and the grapes are vinified at controlled temperature (15°-16°), without added yeast.

As in local tradition, the wine-making method provides a long maceration (15-16 days) on the skins, thus resulting in the intensity of colour, floral nose, the pronounced structure, good acid component, a body that draws almonds, toasted and flavors of baked.

We produced about 2000 bottles of 2013 vintage.

*Oenologist:*

Elisabetta Barbieri

*Other wines:*

Chianti "Paterna" DOCG Colli Arezzo, "Vignanova" Toscana IGT, "Pugnirosso" Toscana IGT, Vin Santo del Chianti DOC.
